

# Fundraising for Non Profit

## Master class for grant makers

Any Charity based/services based organization have strong vision and mission to uplift the society from root level. Domain area may be different but goal is common. To achieve the mission of social transformation we require financial support and strategic partnership. Even those NGO's which are currently funded through government or international grants need to focus on fundraising in preparation for the rapidly changing funding environment. Sustained funding and revenue is needed to deliver the critical services to fulfill the mission. Hence the urgent need for non-profits to diversify their fundraising sources and methods and build a strong financial inflow.

Our training includes comprehensive range of fundraising topics geared towards different levels of fund-raising experience and training needs. From **CORPORATE FUNDING TO CROWD FUNDING**, this training will help broaden your horizon on current fund raising trends and techniques.

NCD Training will help you deliver excellent fundraising results based on proven and profitable fundraising programs. We will talk about broad sets of fundraising techniques to establish a strong strategy, develop clear implementation plans, and evaluate activities. We will help you adapt fundraising methods that are suitable to your organization, we will teach you various techniques's so that you can help your organization raise resources effectively by giving you the strategic tools to create positive fundraising impact.
