

ONLINE COURSE ON CSR PROJECT CYCLE MANAGEMENT

DATE: 27TH, 28TH & 29TH OCTOBER 2023

TIME: 06:30PM TO 08:30PM (IST)

ABOUT COURSE:

This course is designed to empower attendees with the knowledge and skills to comprehensively manage every aspect of CSR projects, from the initial project design to the final closure and reporting. By participating in this course, attendees will gain the capabilities to navigate through the various stages of a CSR project, effectively engage with diverse stakeholders and produce meaningful and insightful project reports.

ABOUT COURSE:

Through a deep understanding of CSR principles and practices, participants will be equipped to:

- 1. Identify CSR opportunities that align with both business objectives and societal needs.
- 2. Strategically plan and design CSR projects, ensuring clear goals, efficient resource allocation and risk management.
- 3. Implement CSR initiatives with an emphasis on stakeholder engagement, collaboration and ethical considerations.
- 4. Monitor project progress, evaluate impact and adapt to challenges as they arise.
- 5. Prepare comprehensive and transparent CSR reports that showcase the project's outcomes, effectiveness and social impact.

ABOUT COURSE:

This course serves as a practical guide for attendees to not only manage CSR projects effectively but also to communicate the value of these projects to internal and external stakeholders. Ultimately, it empowers professionals to make a positive difference through responsible and impactful CSR practices while enhancing their project management and reporting skills.
