## TRAINING OBJECTIVES:

Over period of time, Non-Government Organizations (NGOs) are playing a very critical role in the process of managing development initiatives of various kinds at the grass root level. Even the Government of India has recognized the critical role of the NGOs in the COVID-19 pandemic. Largely development sector organization have commitment & credibility to address people's issue through professional and scientific approach.

It is right time to build and shape good team to lead high impact project through fostering partnership with likeminded agencies.

- To Strengthen the managerial capabilities.
- To develop skills for better management.
- To sensitize about current legal environment.
- Exchange ideas to excel in volatile world.
- Sharing best practices for record keeping & strengthening partnership.
- To Increase impact program & productivities.
